

Thank you Tammis for sharing these flowers in spring in River Walk's Du Bois Park

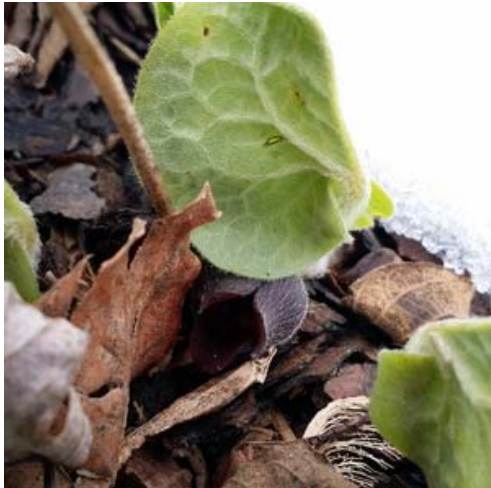

wood anemone, also known as  
windflower, looping gracefully over the  
snow

bloodroot

bloodroot  
little people wrapped in cloaks

wild ginger, a dark red blossom lies on the  
ground, hiding beneath wide fuzzy leaves

wild ginger detail

trillium already in bud. wonder if it's  
going to be red or white
